William Chrisman High School

Independence, Missouri

Foreword

Doors of William Chrisman opened September 4, 1956, for the fortieth time—and the last time that Chrisman will function as a three year high school. This fall juniors and seniors will convene in a spacious new building at 24 Highway and Noland Road.

Busy hands have worked hard to make this year one that will long be cherished in the hearts and minds of Chrisman students. The coming year is a challenge in many ways—a challenge to create a new and better Chrisman as well as carrying on the traditions and achievements of the past. This challenge is incorporated within the lines of the poem *The Salutation of the Dawn*:

Listen to the exhortation of the dawn!

Look to this year! For it is life,
The very life of life.

In its brief course lie all the verities
and realities of your existence.

The bliss of growth,
The glory of action,
The splendor of beauty.

For yesteryear is but a dream,
And next year is only a vision,
But this year well lived

Makes every yesteryear a dream of happiness,
And every next year a vision of hope.

Look well, therefore, to this year!
Such is the salutation of the dawn.

-Anonymous-

As hands of the past have worked hard to make William Chrisman what it is, so must the hands of the future grasp the opportunities that lie before them and make the coming year one that will go down in the annals of William Chrisman as one of the "best."

Dear Nonna,

I'm sure glad I got to know you this year and hope I'll see you next year. May be we can see something together this summer for ya lots.

Our dream will become a reality

ADMINISTRATION

O. L. Plucker
Superintendent

In keeping with his desires to grant every facility and opportunity to the students of the Independence Public Schools Dr. Plucker has, during his three years as superintendent, been active in the planning of the new William Chrisman high school building. As a member of the present school system for the past six years, he has had an opportunity to watch the growth of the entire enrollment.

When asked about the change from the old building to the new he replied, "With the close of this year, we look forward to a new era for William Chrisman high school. The Class of 1957 will be the last class to graduate from the present high school building but the grand tradition of our schools will carry on.

"I am sure we are all proud of the hundreds of fine young men and women who completed their high school work in these halls. I am equally confident that as we move to our new building we will use these improved facilities to climb to even greater heights and to spread the fame of William Chrisman high school to ever widening fields."

Administrators spent a successful year

Dr. Carter as administrative assistant aids Dr. Plucker in the supervision of the Independence school district. Working for the third year in the Independence school system, Dr. Carter has observed the growth of William Chrisman and played his part in planning its expansion.

When asked his view on the change from the old building to the new he replied, "With the completion of our new high school plant embodying the latest in architecture and design, featuring academic areas resplendent in functional furniture and equipment, may the students, community and faculty all join hands as we progress together in the attainment of unchartered horizons."

Guy Carter
Administrative Assistant

Guiding the lives of students of William Chrisman is Mr. Benson, principal. He has observed the growth and change of Chrisman since his graduation in 1930 and during the past five years as administrator.

William Chrisman was constructed in 1918 with the idea of having a maximum number of 950 students. Throughout the years the increase has been gradual until the enrollment is now 1300.

Thinking as an administrator Mr. Benson said that changing from the old William Chrisman building to the new one on Noland Road will be advantageous to all students concerned. For example the science rooms' facilities cost approximately \$24,000; this comparison of equipment is about the same throughout the entire building.

"Traditionally, we hate to leave Chrisman because of the many fine remembrances that will always be so dear to all but socially and academically the advancement will be far-reaching."

Serving as vice-principal, Mr. Gregory Lefever has spent much time helping students become adjusted to life in Chrisman. After sixteen years of service at William Chrisman he makes the following observations concerning the changes.

Board of Education

"With the co-operation of administration, pupils, teachers and patrons the dream for additional room for high school students is about to be realized. The Class of '57 is the last one to be graduated from the present building.

"For sometime class rooms have been too crowded and other facilities have been inadequate. In spite of all handicaps the great majority of students have tried to cope with crowded conditions. The Class of '57 will have a true sense of pride in being graduated from a school where all have made the most of conditions as they have found them.

"The Board of Education congratulates you for maintaining such high standards and for the many high honors members of your class have attained."

The Class of 1957

Robert Elliott
President

This year Robert Elliott served as president of his class for the second consecutive year. Previous to this he was vice-president of his sophomore class and cheer leader of his freshman class.

He has been active in National Thespians, a cappella choir, and student council since he was a sophomore. R. O. T. C. was an important part of Bob's high school life. He was president of National Rifle Association, drillmaster of Pershing Rifles, and Battalion Executive officer during his senior year.

Bob's future plans include attending the University of Kansas and becoming a chemical engineer.

Nancy O'Connor
Vice-President

Serving as vice-president of the 1957 graduating class was Nancy O'Connor. Nancy was active in many activities this past year. She was a student council representative serving as chairman of the Beartown committee.

Nancy was secretary of her homeroom her senior year; she served as librarian for mixed chorus. Shakespearean Literary society occupied part of her time; she held the office of treasurer her senior year.

She hopes to attend Graceland or San Jose College.

Sharon Jones
Secretary

Serving as senior class secretary was Sharon Jones. She participated in many Chrisman activities acting as president of Shakespearean Literary society, a member of the Shan committee, and treasurer of Pep club.

Sharon was active in the music department as a member of orchestra and a cappella for three years.

Her future plans include attending Graceland and Central Missouri State Colleges and becoming a kindergarten teacher.

Carolyn Caskey
Treasurer

Treasurer of the senior class was Carolyn Caskey. She was president of Spanish club; a member of National Honor society, As-You-Like-It Dramatic society, National Forensic league, National Thespians; and a student council representative. Carolyn was active in Junior Red Cross work.

Debating and other speech activities were especially important to Carolyn. She was a member of the Chrisman debate team for three years.

Carolyn plans to go into international relations work and to attend Wellsley College or the University of Kansas.

Sherri Bartlett, Bill Lawrence, Marcia Johnson and Wayne Dugger, junior class officers, are looking over the yearbooks of past classes.

Wayne Dugger served as the president of his freshman and junior classes. Wayne is a member of student council; band, captain and drum major; a cappella; and National Thespians. He wants to attend Graceland college.

Serving as the vice-president of the junior class was Bill Lawrence. He was selected by the members of the junior class. Bill would like to become an electrician.

Sherri Bartlett was selected to serve as the secretary of the junior class. She was also the secretary-treasurer of the freshman class and secretary of the sophomore class. Sherri is a member of the Shakespearean Literary society. She wants to attend Graceland college.

Selected to serve as the treasurer of the junior class was Marcia Johnson. She is a member of the Shakespearean Literary society, Spanish club, and Pep club. Marcia would either like to attend Graceland college or study to be an x-ray technician.

The Class of 1958

The junior class along with members of the other two classes are looking over yearbooks of past classes. The seniors have been enthusiastic over the yearbooks. They worked hard at making the junior year a success. They have accepted their responsibilities of the past two years and are now ready to accept the responsibilities of seniors.

Bob Raine has served as president of his freshman and sophomore classes. He is a member of student council. He is also active in basketball and track. Bob's ambition is to become a professional athlete.

Selected to serve as the vice-president of the sophomore class was Charlyne Searcy. She also served as the secretary of her freshman class. Charlyne is a member of F.H.A., Spanish club, and student council. She would either like to become a fashion designer or a secretary.

Judy Oberhelman was selected by the members of her class to serve as their secretary. She is also a member of student council, Pep club, and Art club. Judy wants to either become a teacher or participate in dramatics.

Serving as the treasurer of the class was Sharon Mills. She is a member of Pep club and has been a cheerleader in her freshman and sophomore years. Sharon wants to attend Graceland college and the University of Missouri and become a kindergarten teacher.

The Class of 1959

Victoria Martin, Elizabeth Schultz, Steve Taylor, Lynda Israell, David McKay, and Wilma Peterson are studying their English. English is a required course for all sophomores. Through this and other subjects they are learning to take their places in life. During the past year they have participated in many activities and have become an integral part of Chusman.

Guidance and work brought success

One of the most successful seasons Chrisman has encountered in many years, was enjoyed by all Chrismanites in 1956 as the Bears took second place in the Pony Express Conference with a 7-2-1 record. The only defeats came at the hands of old rivals, Raytown and Northtown, both by a score of 33-0.

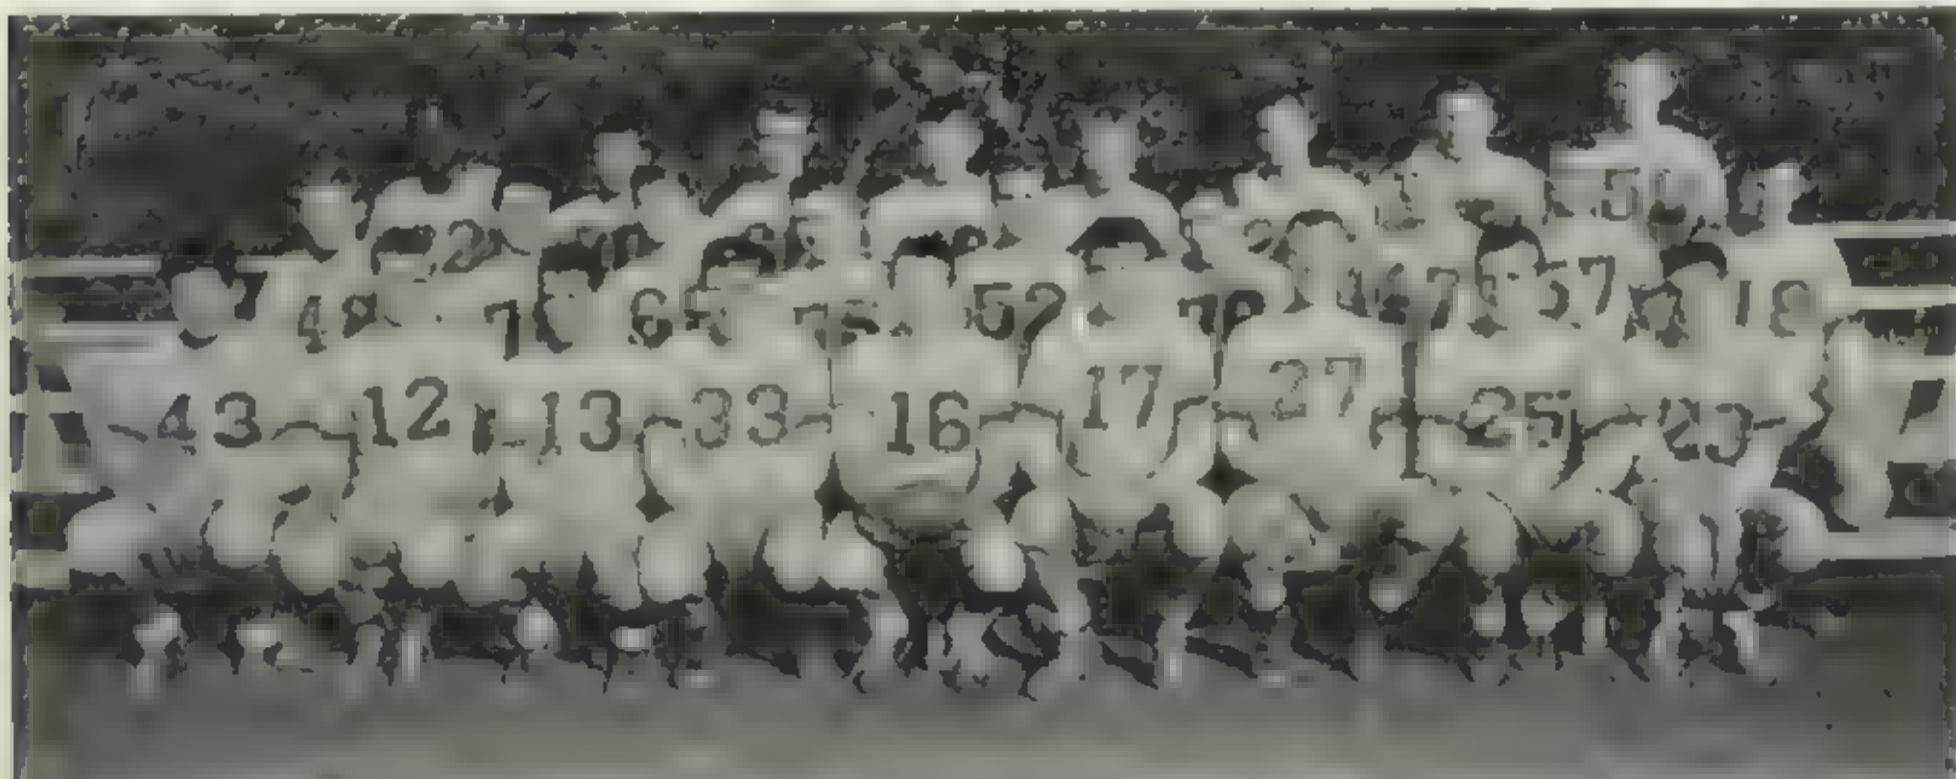

Chrisman broke a losing streak of sixteen years, in a very chilling and suspenseful way, over Northeast, 13-6. Starting another long rivalry was the Van Horn game in which Chrisman came out on top of a 7-0 score. The De LaSalle Cadets and East Bears were Chrisman's other non-conference opponents, as the Bears won, 20-0 and 14-0, respectively. Enabling Chrisman to gain second place were the wins over conference foes: St. Joseph Benton 28-7; St. Joseph Central, 13-7; and Wentworth, 52-7. The Bears tied St. Joseph Lafayette, 6-6.

Coaching the Bears to their success and victory were Coaches Denny Studer and Don Willsey. The excellent guidance of these two coaches was shown in the record of William Chrisman's games. Coach Willsey is a newcomer to the coaching ranks of Chrisman and successfully piloted the "B" Bears to an 8-1 record.

Coach Travis Hopkins and managers, Bobo Elliott and "Mouse" Thacker, use body as well as verbal English to help the Bears.

On January 18 the Bears moved into the new Chrisman fieldhouse, located on the corner of Noland and Highway 24. The new gymnasium was very deserving of the victorious team that played on its floor.

The varsity Bears, coached by Travis Hopkins, enjoyed a successful season as their seasonal record was 20-4. The Bears took first place in the Northtown tournament by defeating Rockhurst, Pem-Day, and Northtown in succession. In the Lee's Summit tournament the Bears gained third place by a loss to Pem-Day with wins over Liberty and Lee's Summit.

Other losses came from Central, Lee's Summit, and Northtown. The Hornets were again the Pony Express Conference champs while the Bears were entitled to second place with their conference record of 8-2.

Jerry Reed blocks a shot made by Jim Wren of the Van Horn Steers. Jerry is K. C. Taylor of Van Horn.

Paul Mitchell makes a lay-up shot good as Ron Harrold of North Kansas City fails to prevent Paul's making a shot.

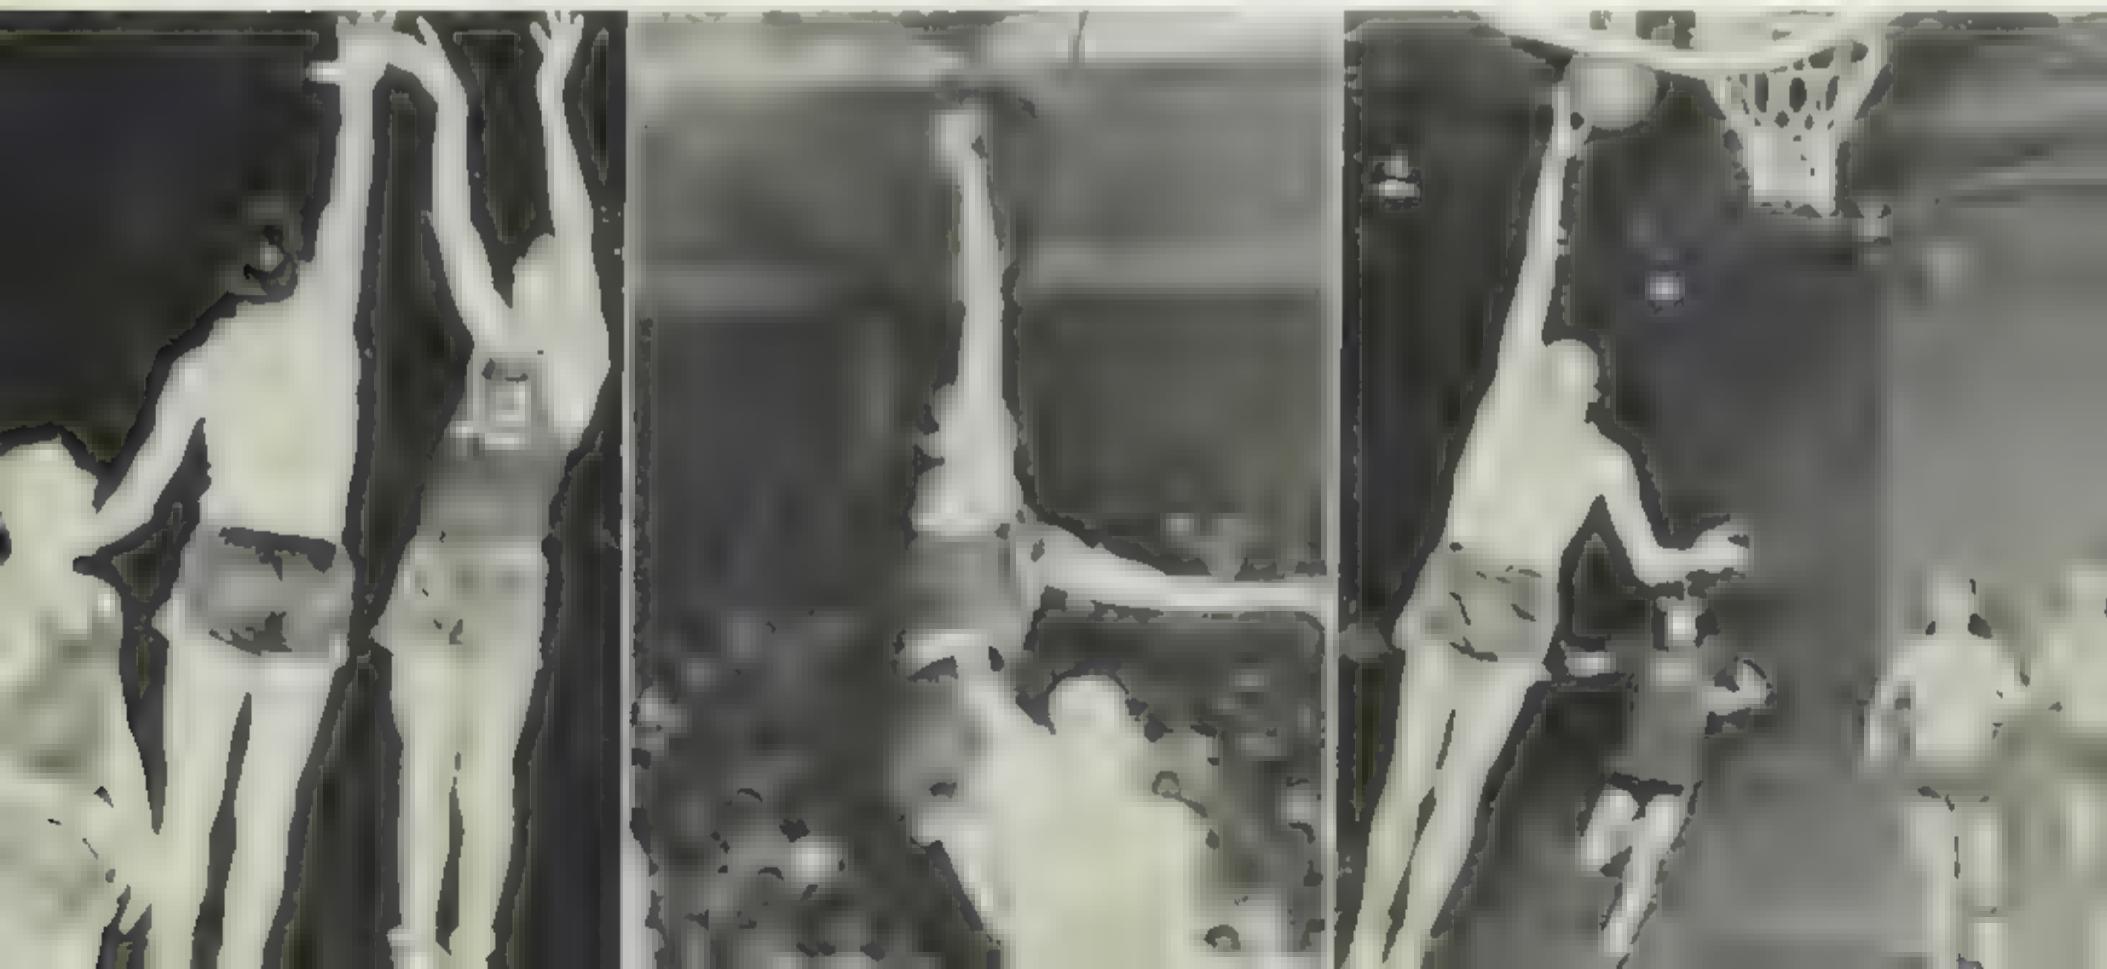

While standing as the band plays the national anthem, the capacity crowd in the new field house takes in the beauty of the Bear's new home.

"Finders Keepers" a drama involving some recovered money won Carol Haegens honorable mention for her interpretation of Mrs. Alford who found money belonging to a good friend and refused to return it. Other members of "Finders Keepers" included Jim Ham as Mr. Alford and Linda Brown as Mrs. Hampton. It was directed by Dolores Lienau.

This is the recognition scene from *ANASTASIA*, the second place winner in the one-act play contest. This play was presented by: Liz Chophin, narrator; Janice DeTray, Anas-

tas and Jeannine Hutchings, the dowager empress. Sue Childers was the student director

annual one-act play contest

Winning actors and actresses were Betty Lou Callahan, second place; David Clow, second place; Jeannine Hutchings, first place; and John Scott, first place. The play contest was under the sponsorship of Dorothy Bierbaum, dramatics and English instructor

SEVEN SISTERS, a three-act comedy, takes place in Hungary, where Mrs. Gyurkovics, a widow, and her seven daughters live. Mitzi, the gay fourth sister, and Ferenz Horkoy, a dashing aristocrat, undertake to find husbands for the three eldest sisters. In the Gyurkovics home are I. Long as Katinka, W. Dugger as Horkoy, L. Spillman as Sari, J. Weber as Ella, J. Gibson as Colonel Radviany, B. Epperson as Michael Sandorsky, B. Jackson as Mitzi, and T. Newhard as Toni Teleki.

Ferenz Horkoy expresses his love for Mitzi in a secret midnight rendezvous.

Gida Radviany, played by B. Williams, comes courting, but he receives no recognition from the sister of his choice. The youngest girls, Terka, Klara, and Liza, played by M. A. Harris, L. Clements and P. Ward respectively, admire his bouquet, however. The mother of the clan is portrayed by L. Brown, and the butler by G. Crenshaw.

All eyes are on the ball as K-11 girls do their best. Every waiting the rebound are Marilyn Harris, Gloria Gibbs, and Lila McPherson. Basketball is a favorite sport among the girls and much competition is shown.

Physical education develops teamwork

Exercises and more exercises—girls limber up at the beginning of class by doing numerous exercises. Gym class, a break in the day, is looked forward to by all girls. It is an enjoyable class and relieves the tension of routine school work.

Coach Garber explains basketball rules to the gym boys. All the fundamentals of the game must be learned before play begins.

It builds healthy bodies and alert minds

Gym boys are really in shape. An exercise done before class every day is climbing the ropes. It strengthens the arm muscles and builds co-ordination.

The contest is on to see which boy will run the farthest the longest. By running boys strengthen muscles for more strenuous activities.

Dear Hanna, I know
I want you to know
how much I have enjoyed
receiving your cards. As if we were
friends again. I would like to keep you and
your family in my thoughts and pray for you and
your son. I hope you have a happy summer.
Compliments to your friend, Jackie

May I have your autograph pl

Dear Donna,

It has really been a lot
of fun, and that comes from just
being with you. I hope we can
spend more day this summer
just like this Saturday.

Warren & want you to
know that I will always
think of and love you & him.
Never felt this way about
any girl.

I hope we will never
part but always go together.

I want you to know
that I will always care for
you & stay with you.

Well I can only say

that I hope that was nice
since I am telling it to you.

Donna,

I haven't gotten to
know you very well
this year but I know
you well enough to
say that you are a real
sweet gal & I would be
glad to know you.

With all my love,

John
